

## **NOTICE TO ARCHITECTS / ENGINEERS**

The State of Utah - Division of Facilities Construction and Management (DFCM) is soliciting the services of qualified firms/individuals to perform design services for the following project:

**UTAH MUSEUM OF NATURAL HISTORY**  
**UNIVERSITY OF UTAH, SALT LAKE CITY, UTAH**  
**DFCM PROJECT NO. 02243750**

The project is a new facility for the Utah Museum of Natural History on a sensitive site at the eastern edge of the campus of the University of Utah. The structure will accommodate new exhibitions and innovative approaches to collections storage, educational space, research space, and work areas are to be included in the facility. A parking structure for 200 cars is to be included. The facility (not including parking) is 169,000gsf. The site is ecologically and politically sensitive, the designer must demonstrate the ability to work within and solve these issues. Construction budget for this project is \$35,000,000 to \$40,000,000.

The selection shall be under the Modified Value Based Selection method. The Solicitation for Consultants (SFC) documents, including the submittal requirements and the selection criteria and schedule, will be available beginning on August 30, 2004 from DFCM at the State Office Building - Room 4110, Salt Lake City, Utah 84114 and on the DFCM web site at <http://dfcm.utah.gov>. For questions regarding this solicitation, please contact Lyle Knudsen, DFCM, at (801) 538-3275. No others are to be contacted regarding this solicitation. The Architectural Design/Construction Administration team will be selected during this process. The sub-consultants (i.e. engineering firms) will be selected in a separate process of collaboration jointly by the Owner, User, and architectural firm(s).

A pre-submittal meeting will not be held prior to the first review (Statement of Qualifications) and the subsequent short list of 6 to 8 firms.

A MANDATORY pre-submittal meeting will be required of firms proceeding to Stage II.

Submittal dates for the required references, management plans, statements of qualifications, and interviews will be based on the Project Schedule included in the SFC.

The Division of Facilities Construction & Management reserves the right to reject any or all submittals or to waive any formality or technicality in any submittal in the interest of the State.
